

LISTENING 2 Assignment (5%)

1. Watch all the videos in your team (in the “Forum par équipe”)
2. Write a comment for at least 3 of the videos. I’d consider it nice and respectful if you could write a comment to everyone in your “forum.”
3. You can comment by clicking on "Répondre à ce sujet"
4. Positive comments (anything "negative" – or a comment about a possible problem or need for improvement – must be very secondary, minor)
5. Make sure your comment reflects that you watched, listened and paid attention to the video. (Don't simply write "I liked your video" or "Your video is cool." ;-))
6. Quality over quantity. Make your comment meaningful and not superficial. Maybe approximately 30-40+ words.
